RE: DOCKET # 98N-1265

July 19, 1999

Dear Sirs:

I am a consumer of compounded medications, and want to register my opposition to the Memorandum of Understanding of January 21, 1999 as well as to the Compounding Section 503A.

I am opposed to them because in their present form, they severely restrict the rights of physicians and patients to get healthcare products from the provider of their choice as well as the rights of compounding pharmacists to meet the medical needs of their clients. There should be no restrictions as to the delivery of a compounded medication that has been prescribed for me, regardless of where I may buy the product.

The MoU should be amended in line with these concerns.

Sincerely yours,

Meyer Scharlack
